General Information:
- All text should be above a size of 6pt and all lines should have at least a thickness of 1pt to ensure proper printing (disregarding this may result in the artwork filling in or breaking up on the final product).
- When submitting vector art (eg: AI, EPS, PDF), please be sure to convert all fonts to "curves" or "outlines" and embed any images that you may have placed into them before submitting it to us.
- When submitting bitmap images (eg: JPG, TIF, GIF, PNG, BMP, PDF, PSD, etc.) please be sure to send images that are print quality (300dpi or above) at the size that they will be printed.
- Please convert all CorelDraw files to PDF or EPS before sending them to us.
- Please feel free to contact us for any assistance you may need via phone (877-787-4564) or email (art@rushking.com).
